Notes on segment information

Principal segments

1. Primary business segments have been identified taking into account the services offered to customers (broadly operating in different industry segments), differing risks and returns, the organizational structure and the internal reporting system.
2. The company has adopted its industry segments and has disclosed Insurance and Healthcare as a separate segment and accordingly the figures for the previous quarter and year have been regrouped to conform to the current period.

Segment capital employed

Assets and liabilities controlled have not been identified to any of the reportable segments as the assets are used interchangeably between segments and it is not practicable to reasonably allocate the liabilities to individual segments. Accordingly no disclosure relating to segment assets, and segment liabilities are made.

Over the last 7 quarters, we have delivered industry leading revenue growth of 8.1% CQGR and have guided for strong growth for the 8th successive quarter. With our superior track-record of delivering 22% CAGR over the last 9 years, we remain confident of sustaining our above industry revenue growth rate over the medium term. While the profitability margins have surged in 2011, Hexaware has several levers left to maintain or even improve operating margins in 2012 from our current levels on a constant currency basis." said **Atul Nishar**, Chairman, Hexaware Technologies Limited.

"This has been a remarkably strong quarter on all fronts including 7.8% revenue growth in constant currency; 460 basis points expansion in EBIT margin, improvement in operational metrics such as increased headcount, healthy bill rates and continued optimization of Selling, General and Administration (SG&A) spend. Through the year 2011, we have continued to make investments in strengthening our vertical capabilities and enhancing the depth in our horizontal competencies. With this, we have established the perfect platform to deliver above-industry performance in 2012. To meet our growth plan, we intend to add 1,500+ employees during the year ahead", remarked **P. R. Chandrasekar**, CEO and Vice Chairman, Hexaware Technologies Limited.

Launch of Healthcare and Insurance as a new Vertical

In 2011, Hexaware witnessed healthy growth in the emerging business domain of Healthcare and Insurance. As a result, the revenue share from the above mentioned vertical aggregates to 16% in Q4 2011. In light of this, Healthcare and Insurance has been carved out as the third focus vertical for Hexaware following Banking and Capital Markets and Travel and Transportation (GTT). Given the inherent market size & visible growth potential, Hexaware is committed to investing to strengthen the domain capabilities and develop new service offerings tailored to unique customer requirements in this recently launched vertical segment globally.

Scaling up Remote IMS

On the back of large deals won in 2010 and in 2011, Remote Infrastructure Management Services (Remote IMS) contributes nearly 4% of the company's global revenue. In line with the Strategic Plan, Hexaware will continue to strengthen its competencies and invest in newer market niches within Remote IMS such as Enterprise Security Solutions and emerging areas such as Virtualization and Cloud Services. Hexaware expects Remote IMS to grow ahead of the company's growth rate in 2012 and consequently, the revenue share from Remote IMS to increase to 6+% in 2012.

Large Deal Update

In the last quarter, Hexaware signed its largest contract till date with value estimated at \$ 250 million for an additional period of 5 years starting 1st January 2012. Under this contract, Hexaware is expected to ramp the team up to size of 800+ personnel by the end of 2012, offering services cutting across all the major focus horizontals - Enterprise Solutions (ERP), Business Intelligence / Business Analytics (BI / BA), Quality Assurance and Testing Services (QATS), Application Management Services (ADM) and Remote Infrastructure Management Services (Remote IMS).

Significant Business Updates

During the previous quarter, the Company added 15 new clients across all its key focus areas. Of these, 3 clients were added in the Travel and Transportation Vertical and 2 in Banking, Financial Services (BFS) domain. In the newly launched Healthcare and Insurance Vertical, 2 new clients were added during Q4 2011. From a horizontal service line perspective, 4 clients were won in Enterprise Solutions space, 2 clients added in Quality Assurance & Testing Services (QATS), 2 clients in Business Intelligence & Business Analytics (BI/ BA) horizontal, and 2 clients in Business Process Outsourcing (BPO) space.

12.

Of the 15 clients added in Q4 2011, 10 customers are based in Americas and 5 in Asia Pacific (APAC) region. For the quarter just completed, 64.4% of revenues originated from Americas, 28.7% from Europe, and the remaining 6.9% from the Asia Pacific region. Repeat business stood at 94.1%.

During the year 2011, Hexaware added 12 front-end personnel in the field sales organization. These additions comprised of a healthy combination of domain consultants, technology practitioners and sales professionals in the identified areas of specialization such as Capital Markets, Travel & Transportation, Enterprise Solutions, QATS, BI/BA and Remote IMS. These investments in the sales and marketing organization enhance Hexaware's potential to win new business and deliver robust performances.

The unwavering focus on account management and adding value to the customer through each engagement has resulted in stronger client mining. The number of clients registering annual revenues in excess of \$ 20 mn each remained steady at 3; 2 clients in the \$ 10 mn - \$ 20 mn range, 7 clients in the \$ 5 mn - \$ 10 mn range, 40 clients in the \$ 1 mn - \$ 5 mn category and the clients with \$ 1 mn+ increased further to 52 - all on a trailing twelve months basis. At the end of the quarter, the number of active clients improved to 192.

Alliances and Partnerships

During Q4 2011, Hexaware entered into a strategic alliance with Banking Business Intelligence (BI) specialist, iCreate Software, to build a Centre of Excellence (CoE) to enhance iCreate's flagship Banking BI product, Biz\$core. Setting up Biz\$core practice is a win-win proposition with Hexaware's focus in BI Services and Banking Domain.

In recognition for Hexaware's continued commitment to excellence and leadership and proven expertise in creative problem-solving, solutions development, innovative services and IBM technologies, IBM has certified Hexaware as its Premium Business Partner.

Organizational Event Updates

During Q4 2011, Hexaware conducted its largest employee congregation, The Tech Summit. Tech Summit is a platform that brings all Hexaware employees to share knowledge through success stories delivered to our customers through innovative use of technology. The theme for the Tech Summit was "*Accelerate Creativity and Drive Innovation*".

Besides Interactions with Industry Leaders, there were Panel Discussions on emerging technology trends and display of Thought Leadership through Whitepapers presentation. The prime event included real time demonstration of Hexaware's Intellectual Property (IP) assets and solution frameworks from the Centre of Excellences (COEs) showcasing expertise in the focus Verticals and Horizontals followed by a Technology Quiz program.

Facility Updates

In line with the corporate road-map, Hexaware has been expanding its presence in its Green Campus expanding over 27 acres in Siruseri SEZ at Chennai. During the course of the year gone by, the workforce operating out of these SEZ facilities has doubled from 1,400 in December 2010 to 2,888 in December 2011. Further, the SEZ campus at Nagpur, a Tier-II city in the state of Maharashtra, seats in excess of 350 employees employed by Caliber Point Business Solutions, 100% wholly owned subsidiary of Hexaware.

During the last quarter, Hexaware launched a new delivery center unit within the same SEZ campus at Chennai to cater to the expansion plans envisaged for 2012. Further, a new building with a seating capacity of 150 seats was inaugurated in Mumbai

Foreign Exchange Cover

The Company has forward contracts worth \$ 181.3 mn at an average rate of ₹ 48.30 and hedges worth € 9.4 mn at an average exchange rate of ₹ 69.61 maturing over the course of the next eight quarters (from January 2012 till December 2013).

Pricing

The average bill rate per hour for Q4 2011 increased sequentially to \$ 73.0 for onsite services and remained firm at \$ 23.0 for offshore locations.

Human Capital

Hexaware has been steadily ramping up its delivery capability to cater to the demand uptake visible in the market place. The global headcount at the end of Q4 2011 increased to 8,317; an increase of 1,806 compared with December 2010. Technical personnel comprised 91.7% of the total work force. Attrition for Q4 2011 reduced further to 13.9%.

At the start of the year 2011, the Company had indicated plans to add 1,500 personnel during the calendar year. The company has exceeded these forecasts by inducting 1,806 employees through the year.

In the month of January 2012, Hexaware has inducted 225 fresh graduate engineers from engineering campuses. These freshers are currently undergoing induction program and boot camp training at Hexavarsity, an In-house Learning and Development Institute. They will be deployed in to the mainstream delivery organization with effect from Q2 2012.

Industry Recognition
