## Hexaware streamlines Indroyal's operations with Oracle® E-Business Suite Release 12 rollout

Solution spanning across manufacturing, distribution and financial modules

**Mumbai - April 16, 2012:** Hexaware Technologies Limited, a leading global provider of IT, BPO and consulting services with the Indroyal Group, an exporting company to implement a solution that would enable them to achieve an end to end view of all business and help

Indroyal furniture required a solution that would allow them to effectively support cross-functional business processes, strengthening their position in the market. The implementation of the Oracle E-Business Suite Release 12, with its improvements with superior financial control processes, better supply chain management across a chain of manufacturing plants spread across South India, and efficient handling of Oracle Applications, will help in their Distribution Efforts.

"This solution will provide us with a clear view of distributing costs, revenues and margins. With our strong domain expertise, Hexaware's Oracle E-Business Suite Release 12, a manufacturing industry proven solution, will help in our Distribution Efforts," said **Balakrishnan, CEO, Indroyal Furniture.**

Successful Implementation of Oracle E-Business Suite Release 12 across plants, online information sharing, consolidation of multiple books of accounts, and financial control at various levels.

"While the current engagement with Hexaware Technologies Limited, we are leveraging our strong manufacturing skillsets, our vast repository of Intellectual Property (IPs) Assets and our proprietary solution accelerators in the implementation and through this process, add value to our customer." said **Moorthi Chinnappa, Executive Vice President and Global Head, Hexaware Technologies Limited.**

Hexaware is Platinum level member of Oracle Partner Network (OPN).
