## **Hexaware bags 5 awards at the Asia Outsourcing Congress & Awards 2015-16**

**Mumbai – 1 March 2016:** Hexaware Technologies Limited, a leading global provider of IT, BPS and Consulting services, announced that the Company has yet again proven its leadership in the Business Process Outsourcing industry by winning 5 awards at the recently concluded 'Asia Outsourcing Congress & Awards 2015-16'.

The Company received the best recognitions and awards in the following categories:

- Fastest Growing Outsourcing Company of the Year 2015
- Best Customer Experienced Delivered by a Contact Center
- Excellence in Customer Services in the Outsourcing Industry
- Health Insurance BPO Provider
- Non-Voice Excellence Company of the Year

Hexaware is sharply focused on client business outcomes, which positions it well to address the needs of global customers from varied verticals and geographies. "It is an honor to be given these recognitions and this shows that we are able to win our clients trust by delivering on our promises. We will continue to be transparent and do the right thing for our client and employees focusing on disruptive automation led solutions" **said Chinmoy Banerjee, Global Head, Business Process Services, Hexaware Technologies.**

From a BPO perspective, Hexaware is primarily invested in providing Intelligent Process Automation, building its proprietary automation frameworks that integrate third party tools with Hexaware's accelerators, with business specific analytics and KPIs. The company continues to develop innovative solutions and concentrates on strengthening its end to end offerings by leveraging as-a-service model, outcome based pricing and Robotic Process Automation led delivery.

### **About Hexaware**

Hexaware is a leading global provider of IT, BPS and consulting services. The Company focuses on key domains such as Banking, Financial Services, Capital Markets, Healthcare, Insurance, Travel, Transportation, Logistics, Hospitality, Manufacturing and Consumer. Our business philosophy, "Your Success is Our Focus", is demonstrated through the success we ensure for our clients. Hexaware focuses on delivering business results and leveraging technology solutions by specializing in Application Development & Maintenance, Enterprise Solutions, Human Capital Management, Business Intelligence & Analytics, Digital Assurance, Infrastructure Management Services, Digital and Business Process Services. Founded in 1990, Hexaware has a well-established global delivery model armed with proven proprietary tools and methodologies, skilled human capital and SEI CMMI-Level 5 certification.

**Safe Harbor Statement**

Certain statements in this press release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Hexaware has made strategic investments, withdrawal of governmental fiscal incentives, political instability, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry.
