Hexaware flexes its arms with new delivery office in Europe

Mumbai – 11 May 2016: Hexaware Technologies Limited, a leading global provider of IT, BPS and consulting services announced the opening of its latest Global Delivery Centre (GDC) at Tver, Russia to support its growing business in the European region. Addition of this GDC will not only strengthen the Company's presence in the region but will also enable it to respond quickly and efficiently to client needs for accelerated solutions across the European region.

The Tver center currently provides mission critical back office support to one of the leading travel and visa facilitation services company. This Centre houses about 150 consultants and has a potential to scale-up to more than 250 FTEs which gives Hexaware a strong foothold in Europe to service multiple clients.

"Our goal is to provide onshore-nearshore services to European clients and reduce cost while maintaining efficiency, enhancing quality, and reducing project timelines. Moreover, Hexaware will be able to offer services in multiple European languages like Russian, French, German, Polish etc. adding to our forte of multi-lingual capabilities" added **Chinmoy Banerjee, Global Head, Business Process Services, Hexaware Technologies Ltd.**

The centre can also provide a range of services including Contact Centre Service, Finance & Accounting, HR Outsourcing and other back office related activities to companies across varied industries.
