

Independent Auditor's Report

To the Members of Hexaware Technologies Limited

Report on the Audit of the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Hexaware Technologies Limited (“the Company”), which comprise the Balance Sheet as at 31 December 2018, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit/loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

Independent Auditor's Report (*Continued*)

Hexaware Technologies Limited

Auditor's Responsibility (*Continued*)

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 December 2018, its profit (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Other Matters

The comparative financial information of the company for the year ended 31 December 2017 prepared in accordance with Ind AS included in these standalone Ind AS financial statements have been audited by the predecessor auditor who had audited the financial statements for the relevant period. The report of the predecessor auditor on the comparative financial information dated 7 February 2018 expressed an unmodified opinion.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

Independent Auditor's Report (*Continued*)

Hexaware Technologies Limited

Report on Other Legal and Regulatory Requirements (*Continued*)

- e) On the basis of the written representations received from the directors as on 31 December 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 December 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements- Refer Note 29 to the standalone Ind AS financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; – Refer Note 31 to the standalone Ind AS financial statements.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Hexaware Technologies Limited

‘Annexure A’ to the Independent Auditor’s Report

(Referred to in our report of even date)

With reference to the Annexure A referred to in the Independent Auditor’s Report to the Members of Hexaware Technologies Limited (“the Company”) on the standalone Ind AS financial statements for the year ended 31 December 2018, we report the following:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year and no material discrepancies were noticed on such verification.
- (c) The title deeds and lease agreements, as applicable, of immovable properties, as disclosed in Note 4 on Property, Plant and Equipment and included in “Prepaid expenses relating to leasehold land” in Note 9A to the financial statements, are held in the name of the Company, except as disclosed in footnote to Note 9A to the financial statements.
- (ii) The Company is in the business of rendering services, and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said Order are not applicable to the Company.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans given, investments made, guarantees and securities given.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.
- (vi) The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for any of the services rendered by the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees’ State Insurance, Income tax, Goods and Services tax, duty of Customs and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees’ State Insurance, Income tax, Goods and Services tax, duty of Customs and other material statutory dues were in arrears as at 31 December 2018, for a period of more than six months from the date they became payable.

Hexaware Technologies Limited

Annexure A to the Independent Auditor's Report (*Continued*)

- (b) According to the information and explanations given to us, except as mentioned below, there are no dues of Income-tax or Sales tax or Service tax or Goods and Services tax or duty of Customs or Value added tax and other material statutory dues which have not been deposited with appropriate authorities on account of disputes:

Name of the Act	Nature of Dues	Amount (Rs. In million)	Period to which amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	1.10	Financial year 2008-09	Assessing Officer
Income Tax Act, 1961	Income Tax	2.76	Financial year 2010-11	Commissioner of Income Tax (Appeals)

- (viii) The Company did not have any outstanding loans or borrowings from any financial institution, bank or Government and there are no dues to debenture holders during the year.
- (ix) In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or any material instances of fraud on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.
- (xi) In our opinion and according to the information and explanations given to us and based on examination of the records of the Company, the Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3 (xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.

Hexaware Technologies Limited

Annexure A to the Independent Auditor's Report (*Continued*)

- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) According to the information and explanation given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, paragraph 3(xvi) of the Order is not applicable to the Company.

Hexaware Technologies Limited

‘Annexure B’ to the Independent Auditors’ Report

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of Hexaware Technologies Limited (“the Company”) as of 31 December 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Hexaware Technologies Limited

Annexure - B to the Independent Auditors' Report (*Continued*)

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 December 2018, based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

HEXAWARE TECHNOLOGIES LIMITED

NOTES TO FINANCIAL STATEMENTS

1 Corporate Information

Hexaware Technologies Limited ("Hexaware" or "The Company") is a public limited company incorporated in India. The Company is engaged in information technology consulting, software development and business process services. Hexaware provides multiple service offerings to its clients across various industries comprising travel, transportation, hospitality, logistics, banking, financial services, insurance, healthcare, manufacturing, consumer and services. The various service offerings comprise application development and management, enterprise package solutions, infrastructure management, business intelligence and analytics, business process, digital assurance and testing.

2 Significant Accounting Policies

2.1 Statement of compliance

The financial statements comply in all material aspects with Indian Accounting standards (referred to as "Ind AS") notified under Section 133 of the Companies Act, 2013 (the "Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

2.2 Basis of Preparation

These financial statements are prepared on historical cost basis, except for certain financial instruments which are measured at fair values as explained in the accounting policies below.

2.3 Critical accounting judgements and key source of estimation uncertainty

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of revenue, expense, assets and liabilities and disclosures relating to contingent liabilities on the date of the financial statements. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the period in which the estimate is revised and in any future period affected.

Key source of estimation uncertainty which may cause material adjustments:

2.3.1 Revenue recognition

The Company uses the percentage-of-completion method in accounting for its fixed-price contracts. Use of the percentage-of-completion method requires the Company to estimate the efforts expended to date as a proportion of the total efforts to be expended. Efforts expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date and can be reliably estimated.

2.3.2 Income-tax

The major tax jurisdictions for the Company is India though the Company also files tax returns in overseas jurisdiction. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments and deferred tax on unrecognised tax benefits. Tax assessment can involve complex issues, which can only be resolved over extended time periods.

2.3.3 Others

Others areas involving estimates relates to actuarial assumptions used to determine the carrying amount of defined benefit obligation, estimation of fair value of share based payment transactions and useful lives of Property Plant and Equipment.

HEXAWARE TECHNOLOGIES LIMITED

NOTES TO FINANCIAL STATEMENTS

2.4 Revenue Recognition

Revenue is measured at fair value of consideration received or receivable.

- a) Revenues from software solutions and consulting services are recognized based on specified terms of contract.

In case of contract on time and material basis, revenue is recognised when the related services are performed.

In case of fixed price contracts, revenue is recognized using percentage of completion method. The company uses the efforts expended to date as a proportion to the total efforts to be expended as a basis to measure the degree of completion. The cumulative impact of any revision in estimates of the percentage of work completed is reflected in the year in which the change becomes known. Provisions for estimated losses on such engagements are made during the year in which a loss becomes probable and can be reasonably estimated.

Amount received or billed in advance of services performed are recorded as unearned revenue.

Unbilled services represents revenue recognized based on services performed in advance of billing in accordance with contract terms.

Revenue from business process management arises from unit-priced contracts, time based contracts and cost based projects. Such revenue is recognised as services are performed. It is billed in accordance with the specific terms of the contract with the client.

- b) Revenue is reported net of discount and indirect taxes.
c) Dividend income is recognised when the shareholders right to receive payment has been established.
d) Interest Income is recognised using effective interest rate method.

2.5 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

a) **Finance Lease**

Assets taken on finance lease are capitalised at lower of present value of the minimum lease payments and the fair value of the leased asset determined at the inception of the lease and liability is recognised for an equivalent amount. Lease payments are apportioned between finance charge and reduction in outstanding liability so as to achieve a constant periodic rate of interest on the remaining balance of liability.

b) **Operating Leases**

Assets taken on lease under which all risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments under operating leases are recognised as expenses on straight line basis over the lease term unless the payments to the lessor are structured to increase in line with expected general inflation.

2.6

(a) **Functional and presentation currency**

These financial statements are presented in millions of Indian Rupees (Rs.), the currency of the primary economic environment in which the Company operates.

(b) **Foreign currency**

Transactions in foreign currency are recorded at the original rate of exchange in force at the time transactions are effected. Monetary items denominated in foreign currency are restated using the exchange rate prevailing on the date of Balance Sheet. The resulting exchange difference on such restatement and settlement is recognized in the profit or loss, except exchange differences on transactions entered into in order to hedge certain foreign currency risk.

Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the Balance Sheet date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

2.7 Borrowing Cost

Borrowing cost directly attributable to the acquisition or construction of qualifying assets is capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in the profit or loss.

HEXAWARE TECHNOLOGIES LIMITED

NOTES TO FINANCIAL STATEMENTS

2.8 Employee Benefits

a) Post-employment benefits and other long term benefit plan

Payments to defined contribution retirement schemes are recognised as an expense when the employees have rendered service entitling them to such benefits.

For defined benefit schemes and other long term benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at balance sheet date. Remeasurement, comprising actuarial gains and losses and the return on plan assets (excluding interest) is reflected immediately in the balance sheet with a charge or credit recognized in the other comprehensive income in respect of defined benefit schemes and in the statement of profit and loss in respect of other long term benefit plans in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognised in the profit or loss in the period of plan amendment. The retirement benefit liability recognized in the statement of financial position represents the present value of the defined benefit obligation as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the lower of the amount determined as the defined benefit liability and the present value of available refunds and / or reduction in future contributions to the scheme.

The service cost (including past service cost as well as gains and losses on settlement and curtailments) and net interest expenses or income is recognised as employee benefits expense in the profit or loss.

b) Short term employee benefit

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period when the employee renders those services. These benefits include compensated absences such as leave expected to be availed within a year, statutory employee profit sharing and bonus payable.

2.9 Share based compensation

Equity settled share based payments to employees and directors are measured at the fair value of the equity instruments at the grant date which is recognised over the vesting period based on periodic estimate of the equity instruments that will eventually vest, with the corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest with the impact of revision recognised in the profit or loss such that the cumulative expense reflects the revised estimates, with a corresponding adjustment to the share option outstanding account.

2.10 Taxes on Income

Income tax expense comprises of current tax and deferred tax. Current and deferred tax are recognised in net income, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax is measured at the amount expected to be paid or recovered from the domestic and overseas tax authorities using enacted or substantively enacted tax rates after taking credit for tax relief available for export operations in Special Economic Zone (SEZ).

Deferred taxes are recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profits, except when the deferred income tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither the accounting nor taxable profit at the time of the transaction.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be utilised.

Deferred tax assets and liabilities are measured using enacted or substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

For operations under tax holiday scheme, deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

Advance taxes and provisions for current income taxes as well as deferred tax assets and liabilities are presented in the Balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the entity intends to settle the asset and liability on a net basis.

HEXAWARE TECHNOLOGIES LIMITED

NOTES TO FINANCIAL STATEMENTS

2.11 Property, plant and equipment (PPE)

PPE are stated at cost of acquisition less accumulated depreciation (other than freehold land) and impairment loss, if any.

Depreciation

Depreciation is provided on straight-line method based on the estimated useful lives of the assets as determined by the management based on the expert technical advice/ stipulations of schedule II to the Act.

Asset Class	Estimated useful Life
Buildings	60 years
Computer Systems (included in Plant and Machinery)	3 years
Office Equipment	5 years
Electrical Fittings (included in Plant and Machinery)	8 years
Furniture and Fixtures	8 years
Vehicles	4 years

Improvement to Leasehold Premises are amortised over the lease period or useful life of an asset whichever is lesser.

Depreciation methods, estimated useful lives and residual values are reviewed at the end of each year and adjusted prospectively where appropriate.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the assets. Any gain or loss arising on derecognition is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognised in profit or loss.

2.12 Intangible assets

Intangible assets with finite useful lives that are acquired are initially recognised at cost in case of separately acquired assets and at fair value in case of acquisition in business combination. Subsequent to initial recognition, intangible assets are reported at cost less accumulated amortisation and impairment loss, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. Software licenses are amortised over three years.

Amortisation method, estimated useful lives and residual values are reviewed at the end of each year and adjusted prospectively where appropriate.

An intangible asset is derecognised on disposal or when no future economic benefits are expected to arise from the continued use of the assets. Any gain or loss arising on derecognition is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognised in profit or loss.

2.13 Impairment

a) Financial assets (other than at fair value)

The company assesses at each balance sheet date, whether a financial asset or a group of financial assets is impaired. Ind AS 109, "Financial Instruments" requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and / or all trade receivables. For all other financial assets except for investments, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. In case of Investments, the Company periodically reviews its carrying value of investments for indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

b) Non-financial assets

Tangible and Intangible assets

At the end of each reporting period, the company assesses whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs or allocated. Impairment loss is charged to the profit or loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.14 Provisions

Provisions are recognised when the company has present obligation (legal or constructive) as a result of a past event for which reliable estimate can be made of the amount of obligation and it is probable that the company will be required to settle the obligation. When a provision is measured using cash flows estimated to settle the present obligation its carrying amount is the present value of those cash flows; unless the effect of time value of money is immaterial.

HEXAWARE TECHNOLOGIES LIMITED

NOTES TO FINANCIAL STATEMENTS

2.15 Non derivative financial instruments

Financial assets and liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

A Financial assets and financial liabilities – subsequent measurement

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held with a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held with a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit and loss are immediately recognised in statement of profit and loss.

(iv) Investment in subsidiaries

Investment in subsidiaries is carried at cost less impairment, if any.

(v) Cash and cash equivalents

The company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

(vi) Financial liabilities

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method.

B Share capital

Equity shares

Incremental costs directly attributable to the issue or re-purchase of equity shares, net of any tax effects, are recognised as a deduction from equity.

2.16 Derivative financial instruments and hedge accounting

The company enters into foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to highly probable forecast transactions. These instruments are initially measured at fair value and are re-measured at subsequent reporting dates. The company at the inception documents and designates these instruments as cash flow hedges. Accordingly, the company records the cumulative gain or loss arising from change in fair values on effective cash flow hedges in the CFHR within the other comprehensive income until the forecasted transaction occurs. Gain or loss arising from change in fair values of component excluded from the assessment of hedge effectiveness as well as the ineffective portion of the designated hedges and derivative instruments that do not qualify for hedge accounting are recognized immediately in the profit or loss.

Hedge accounting is discontinued when the hedging instrument expires, terminated or exercised without replacement or rollover as part of the hedging strategy or when the hedge no longer meets the criteria for hedge accounting, the net cumulative gain or loss recognised in hedging reserve at that time remains in equity and is recognised in profit or loss when the forecasted transaction affects profit or loss. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in hedging reserve is immediately transferred to the profit or loss for the year and is grouped under exchange rate difference.

HEXAWARE TECHNOLOGIES LIMITED

NOTES TO FINANCIAL STATEMENTS

2.17 Earnings per share ('EPS')

Basic EPS are computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic EPS and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

3 Recent accounting pronouncements

Ind AS 115 Revenue from the contracts with customers replaces the current revenue recognition standard, Ind AS 18 Revenue and Ind AS 11 Construction Contracts. This standard provides a single principle based five step model to be applied to all contracts with customers. Guidance is provided on topics such as the point at which revenue is recognised, accounting for variable consideration, cost to fulfill a contract and obtaining a contract and various other related matters.

The standard is applicable to the Company with effect from January 1, 2019, to be applied retrospectively in accordance with the transition guidance. The Company is evaluating the impact of its adoption on its financial statements.

Tax effect of non-deductible expenses	90.08	14.38
Taxes of earlier years	-	16.67
Others, net	12.99	14.26
	<hr/>	<hr/>
Income tax expense recognised in the Statement of Profit and Loss	988.25	857.64

Current income tax expense comprises of taxes on income from operations in India and foreign jurisdictions. In India, substantial part of operations is carried from units in Special Economic Zones notified by the Government which also benefit from the tax exemptions. These units are eligible for the deduction of 100 percent of profits or gains derived from the export of services for the first five years from commencement of provision of services and 50 percent of such profits or gains for a further five years. 50 percent tax benefit is also available for a further period of five years subject to the unit meeting defined conditions of further investments. In respect of certain jurisdictions, where the income tax year is different from the accounting year, provision for current tax is made on the basis of income for the respective accounting year, which will be adjusted considering the total assessable income for the tax year.

Carrying amount of cash and cash equivalents, other bank balances, trade receivables, unbilled revenue, trade payables, other financial assets and liabilities approximate the fair value because of their short term nature. Difference between carrying amounts and fair values of, other financial assets and liabilities subsequently measured at amortised cost is not significant in each of the period presented.

HEXAWARE TECHNOLOGIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS

21 Financial Instruments (contd..)

21.2 Fair value hierarchy

Fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability

The following table presents fair value hierarchy of financial assets and liabilities measured at fair value on a recurring basis:

	(Rupees Million)			
<u>December 31, 2018</u>	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>

Derivative financial liabilities	<u>-</u>	<u>7.89</u>	<u>-</u>	<u>7.89</u>

Valuation Technique

Investment in mutual funds is measured at the redemption price declared by the mutual fund. Derivatives are measured basis the counterparty quotes obtained. Cost of investment in equity shares is considered to be representative of fair value.

HEXAWARE TECHNOLOGIES LIMITED

NOTES TO FINANCIAL STATEMENTS

21 Financial Instruments (Cont'd)

21.3 Financial risk management

The Company has identified the risks under verticals like Geographic and client concentration risk, credit risk, foreign currency fluctuation risk and liquidity risk. The Company has formulated policies, procedures and strategies for managing risks which is affirmed by global CEO and CFO, after consultation with all business units, functions and department heads.

Geographic and client concentration risk

In year 2018, Americas contributed 68% of the Company's total revenue (previous year 74%). The Company continues to expand its global footprint to diversify geographic concentration though Americas remains largest market for the IT industry. The Company's exposure to the US regions is in line with the global industry practices. The Company will continue to invest in the region. There are a number of other growth factors in Americas such as favour for capitalism, highest per capita income, innovation driven culture and focus to retain high end work that allow us to identify and address the pockets of inefficiencies in the most optimum way.

77% and 81% of the revenue of 2018 and 2017, respectively is generated from top 10 clients, the concentration is high for standalone as customers include subsidiaries wherein contracts with end customers are entered by such subsidiaries. At consolidated level, the concentration of revenue from top 10 customers is at 52% for the year 2018 (55% for the year 2017). Any loss or major downsizing by these clients may impact Company's profitability. Further, excessive exposure to particular clients will limit Company's negotiating capacity and expose to higher credit risk.

The Company is able to maintain a diversified high quality client roster that can be accessed through the depth of relationships with existing clients.

The Company's growth strategy involves a mix of new client addition and mining the accounts of existing clients. As we add more clients and grow our revenues from the existing clients, we naturally reduce our dependence on the large clients. Moreover, large clients allow quick scaling up of revenues and they come with higher margins due to lower associated cost and higher cost predictability.

Credit risk

Since most of our transactions are done on credit, we are exposed to credit risk on accounts receivable. Any delay, default or inability on the part of the client to pay on time will expose us to credit risk and can impact our profitability. Our maximum credit exposure is in respect of trade receivables of Rs.5,363.53 million and Rs.4,142.29 million as at December 31, 2018 and December 31, 2017 respectively and unbilled revenue of Rs 1,448.45 million and Rs. 329.92 million as at December 31, 2018 and December 31, 2017 respectively.

Top 10 customer dues contribute 84% of the total outstanding as at December 31, 2018 (88% as at December 31, 2017).

Cash and cash equivalents and investments in mutual funds are neither past due nor impaired. Cash and cash equivalents include deposits with nationalised banks. The investment in liquid mutual fund units are measured at fair value through profit and loss.

HEXAWARE TECHNOLOGIES LIMITED**NOTES TO FINANCIAL STATEMENTS****21 Financial Instruments (Cont'd)****21.3 Financial risk management (Cont'd)****Foreign Currency fluctuations Risk**

Foreign exchange fluctuations is one of the key risks impacting our business. The offshore part of the revenue remains exposed to the risk of Rupee appreciation which is functional currency of the Company vis-a-vis the US Dollar, the Euro and other foreign currencies, as largely, the costs incurred are in Indian Rupees and the revenue/inflows are in foreign currencies. The contracts we enter into with our customers tend to run across several years and many of these contracts are at fixed rates, therefore any appreciation in the Indian rupee vis-à-vis foreign currencies will affect our margins.

The Foreign Exchange Risk Management Policy authorized by the Forex Committee of the Board takes these circumstances into account and authorizes hedging on a systematic basis. These risks have been effectively addressed by the processes and controls laid out in the Foreign Exchange Risk Management Policy. The hedge ratio assigned to the exposures depends on the time horizon in which they fall, the near term exposures get a higher ratio whereas the farther exposures get a lower ratio. This graded approach ensures that hedges are spread across the hedge horizon in a tapered down manner. The exposure as indicated below is net of derivative contracts entered into by the Company.

(Rupees Million)

The following table analyses foreign currency risk from financial instruments as at December 31, 2018:

	USD	EUR	GBP	Others*
Net financial assets	4,823.60	60.97	458.12	347.11
Net financial liabilities	45.58	6.44	-	1.30
Net assets/(liabilities)	<u>4,778.02</u>	<u>54.53</u>	<u>458.12</u>	<u>345.81</u>

(Rupees Million)

The following table analyses foreign currency risk from financial instruments as at December 31, 2017:

	USD	EUR	GBP	Others*
Net financial assets	3,146.84	78.41	124.30	300.94
Net financial liabilities	334.98	5.87	7.51	3.04
Net assets/(liabilities)	<u>2,811.86</u>	<u>72.54</u>	<u>116.79</u>	<u>297.90</u>

10% depreciation/appreciation of the respective foreign currencies vis-a-vis functional currency of the Company would result in the increase/ decrease in Company's profit before tax approximately by Rs.563.65 million and Rs.329.91 million for the year ended December 31, 2018 and December 31, 2017, respectively.

*Others include currencies such as Singapore Dollars, Canadian Dollars, United Arab Emirates Dirhams, Philippine Pesos, Japanese Yens, Australian Dollars etc.

The Company uses derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in foreign exchange rates on trade receivables and forecasted cash flows denominated in certain foreign currencies.

Outstanding hedges by way of forward contracts are as follows :

(In Million)

Currency Hedged	As at December 31, 2018	As at December 31, 2017
Sell USD	162.12	152.88
Sell Euro	5.84	3.90
Sell GBP	11.32	7.50

The weighted average forward rate for the hedges outstanding as at December 31, 2018 is Rs. 71.83, Rs. 88.22 and Rs. 98.70 (As at December 31, 2017 Rs. 70.98, Rs. 82.16 and Rs. 91.87) for USD, Euro and GBP, respectively. The hedges mature over the eight quarters.

10% depreciation/appreciation of the respective foreign currencies would result in the increase/ decrease in Company's other comprehensive income approximate by Rs. 149.56 million and Rs. 948.12 million for the year ended December 31, 2018 and December 31, 2017, respectively.

HEXAWARE TECHNOLOGIES LIMITED
NOTES TO FINANCIAL STATEMENTS

21 Financial Instruments (Cont'd)

The movement in accumulated other comprehensive income on account of derivatives designated as cash flow hedges is as under:

	<u>For year ended</u> <u>December 31,</u> <u>2018</u>	<u>Rupees Million</u> <u>For year ended</u> <u>December 31, 2017</u>
Balance at the beginning of the year	465.83	240.78
Less: Net gains transferred to statement of profit or loss on occurrence of forecasted hedge transaction	(145.59)	(595.35)
Add: Changes in the fair value of the effective portion of outstanding cash flow hedges	(452.59)	855.00
Less : Deferred tax adjustment on CFHR	117.49	(34.60)
Balance at the end of the year	<u>(14.86)</u>	<u>465.83</u>

There were no material hedge ineffectiveness for the year ended December 31, 2018 and December 31, 2017.

Liquidity risk

The Company needs continuous access to funds to meet short and long term strategic investment requirements. The Company's inability to meet such requirements in stipulated period may hamper growth plan and even ongoing operations. Further, the Company's inability to quickly convert assets into cash without incurring any material loss will expose it to liquidity risks.

As at December 31, 2018, the Company had total cash / bank balance and investments in Mutual Funds of Rs. 1,581.70 million (as at December 31, 2017 Rs 1,229.33 million) which constitutes approximately 8% of total assets (previous year 7%). The Company does not have any debt.

The tables below provide details of the contractual maturities of significant financial liabilities as at:

	(Rupees Million)		
<u>As at December 31, 2018</u>	<u>Less than 1</u> <u>year</u>	<u>1-2 years</u>	<u>Total</u>
Trade and other payables	798.64	-	798.64
Derivative financial liabilities	135.19	72.95	208.14
Others (Refer note 13)	674.43	2.69	677.12
Total	<u>1,608.26</u>	<u>75.64</u>	<u>1,683.90</u>

	(Rupees Million)		
<u>As at December 31, 2017</u>	<u>Less than 1</u> <u>year</u>	<u>1-2 years</u>	<u>Total</u>
Trade and other payables	820.90	-	820.90
Derivative financial liabilities	4.49	3.40	7.89
Others (Refer note 13)	613.15	2.21	615.36
Total	<u>1,438.54</u>	<u>5.61</u>	<u>1,444.15</u>

Interest rate risk

The Company does not have any debt. The balances with banks and financial institution is in the form of current account, fixed interest rate deposits. Accordingly , the Company is not exposed to significant interest rate risk.

Capital management

The Company's objectives when managing capital is to maintain optimal capital structure to continue to provide for adequate capital in the business, returns for shareholders and benefits for other stakeholders in the form of dividends, return of capital or issue of new shares.

HEXAWARE TECHNOLOGIES LIMITED**NOTES TO FINANCIAL STATEMENTS****22 Earnings per share**

The components of basic and diluted earnings per share (EPS) were as follows:

	Year ended	
	December 31, 2018	December 31, 2017

HEXAWARE TECHNOLOGIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS

- 24 The Company takes on lease office space and accommodation for its employees under various operating leases. The lease term ranges between 1 year to 9 year with option to renew. The lease rentals towards operating lease agreements recognised in the Statement of Profit and Loss for the year is Rs. 235.80 million (Previous year Rs 216.04 million)

The future minimum lease payments and payment profile of the non-cancellable operating leases are as follows:

Particulars	Rupees Million	
	December 31, 2018	December 31, 2017
Not later than one year	198.79	177.02
Later than one year and not later than five years	461.43	180.22
Laer than 5 years	790.21	-
Total	1,450.43	357.24

25 Share Based Compensation

- a) The Remuneration and Compensation Committee ('Committee') of the Company administers the stock options plans viz. ESOP 2007, 2008 and 2015 plan. Under the plans, the employees of the Company as well as its subsidiaries are granted options/ Restricted Stock Options (RSU) entitling them to one equity share of Rs 2/- each for each option granted. Exercise price is the market price of the shares of the Company at the grant date or the price determined by the Committee. During the year, the Company extended the vesting period (at an option of the RSU holder) by one year for the certain RSU's holders. The modification did not have material impact. The Options / RSU's vest over a period of 1 to 5 years from the date of grant on the basis of service period and/or achievement of performance conditions. The maximum time available to exercise upon vesting is 6 years.

- b) The particulars of number of options granted and lapsed under the aforementioned Schemes are tabulated below

Particulars	ESOP - 2007		ESOP - 2008		ESOP - 2015		Total	
	Options (nos.)	Weighted ex. Price per share (Rs.)	Options/ RSU's (nos.)	Weighted ex. Price per share (Rs.)	RSU's (nos.)	Weighted ex. Price per share (Rs.)	Options/ RSU's (nos.)	Weighted ex. Price per share (Rs.)

	(66,750)	(57.14)	(702,770)	(2.00)	(652,860)	(2.00)	(1,422,380)	(4.59)
Outstanding at the year end	-	-	2,486,355	2.00	6,200,969	2.00	8,687,324	2.00
	(179,250)	(66.07)	(2,904,239)	(2.00)	(6,583,746)	(2.00)	(9,667,235)	(3.19)
Exercisable as at the year end	-	-	51,150	2.00	503,191	2.00	554,341	2.00
	(179,250)	(66.07)	(246,094)	(2.00)	(428,988)	(2.00)	(854,332)	(15.44)

Previous year figures are given in bracket

- c) The weighted average share price of options exercised on the date of exercise was Rs. 428.89 per share and Rs. 215.29 per share for the year ended December 31, 2018 and December 31, 2017 respectively.
- d) Range of exercise price and weighted average remaining contractual life (in months) for the options outstanding:

Range of exercise price	As at 31 December 2018		As at 31 December 2017	
	Options/ RSU's (Nos)	Life	Options/ RSU's (Nos)	Life
2	8,687,324	30	9,487,985	38
59.08 - 79.85	-	-	179,250	3
Total	8,687,324		9,667,235	

- e) The fair values of the RSU's granted in year 2018 and 2017 are determined using Black Scholes Option pricing model using following assumptions:

Particulars	Year 2018	Year 2017
Weighted Average fair value (Rs.)	413.44	232.32
Weighted Average share price (Rs.)	448.57	247.04
Dividend Yield (%)	1.59- 2.25	1.40- 2.82
Expected Life (years)	0.92 - 3.00	1.25- 4.35
Risk free interest rate (%)	7.09- 8.28	6.26- 6.73
Volatility (%)	33.60- 38.00	28.97- 37.13

The expected volatility is determined based on historical volatility during a period equivalent to the expected term of RSU granted.

HEXAWARE TECHNOLOGIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS

26 Employee benefit plans

i) Provident Fund, Superannuation Fund and Other Similar Funds

Both the employees and the Company make monthly contributions to the Provident Fund Plan equal to a specified percentage of the covered employee's salary. In respect of the Company's employees enrolled with the Hexaware Technologies Limited Employees Provident Fund Trust (the 'Trust'), the Company pays a part of the contributions to the Trust. The remaining portion of Company's contribution in respect of such employees and entire contribution in respect of other employees is contributed to the Government administered employee Provident and Pension Fund.

The interest rate payable by the Trust to the beneficiaries every year is being notified by the Government. The Company has an obligation to make good the short fall, if any, between the return from the investments of the trust and the notified interest rate. The actuary has accordingly provided a valuation and based on the fund position and assumptions mentioned below, there is no shortfall as at December 31, 2018.

Particulars	Rupees Million	
	December 31, 2018	December 31, 2017
Present value of benefit obligation	3,447.03	2,934.93
Fair value of plan assets	3,447.03	2,934.93
Expected Investment Return	8.43%	8.75%
Remaining term of maturities of plan assets	5.95 years	6.35 years
Expected guaranteed interest rates	8.55%	8.65%

Certain employees of the Company are entitled to benefits under the superannuation plan, a defined contribution plan. The Company makes quarterly voluntary contributions under the superannuation plan to LIC based on a specified percentage of each covered employees salary and recognises such contributions as an expense when incurred and has no further obligation to the plan beyond such contributions.

During the year, the Company has recognized expenses towards contributions to provident fund and other funds and superannuation funds of Rs. 389.15 million (Previous year Rs 317.03 million) and Rs 14.15 million (Previous year Rs 8.33 million), respectively.

HEXAWARE TECHNOLOGIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS

26 Employee benefit plans (contd.)

ii) Gratuity Plan

The Company makes annual contribution to the Employee's Company Gratuity Assurance Scheme, administered by the Life Insurance Corporation of India ('LIC'), a funded defined benefit plan for qualifying employees. The scheme provides for lump sum payment to vested employees at retirement, death while in employment or on termination of employment based on completed years of service or part thereof in excess of six months. Vesting occurs on completion of five years of service.

The following table sets out the status of the gratuity plan for the year ended December 31 :

Rupees Million

Particulars	2018	2017
Change in Defined Benefit Obligation		
Opening defined benefit obligation	659.05	647.55
Current service cost	140.56	133.19
Interest cost	46.76	41.71
Adjustment for remeasurement of defined benefit plan		
- Actuarial loss/(gains) arising from change in financial assumptions	15.25	(30.83)
- Actuarial loss/(gains) arising from change in demographical assumptions	(53.77)	(20.31)
- Actuarial loss/(gains) arising on account of experience changes	(16.72)	(52.09)
Benefits paid	(73.40)	(60.16)
Closing defined benefit obligation	717.73	659.05
Change in the Fair Value of Assets		
Opening fair value of plan assets	549.78	440.89
Interest on plan assets	42.34	31.21
Remeasurement due to actual return on plan assets less interest on plan assets	(13.79)	-
Contribution by employer	58.97	137.83
Benefits paid	(73.40)	(60.16)
Closing fair value of plan assets	563.90	549.78
Net liability as per actuarial valuation	153.83	109.27
Expense charged to statement of profit and loss:		
Current service cost	140.56	133.19
Net Interest on defined benefit plan	4.41	10.49
Total Included in Employment expenses	144.97	143.68
Amount recognised in other comprehensive income:		
Remeasurement of defined benefit plan due to -		
- changes in financial assumptions	15.25	(30.83)
- changes in demographical assumptions	(53.77)	(20.31)
- Experience adjustments	(16.72)	(52.09)
- Actual return on plan assets less interest on plan assets	13.79	-
Total amount recognised in other comprehensive income	(41.45)	(103.24)
Actual return on plan assets	28.55	31.22
Category of assets - Insurer Managed Fund #	563.90	549.78

Since the investments are held in the form of deposit with the LIC, these are not volatile, the market value of assets is the cost value of assets and has been accordingly considered for the above disclosures.

The Company is expected to contribute Rs. 100 million to gratuity funds for the year ending December 31, 2018

Financial assumptions at the valuation date	Year 2018	Year 2017
Discount rate	7.25%	7.45%
Rate of increase in compensation levels of covered employees *	7.5% to 10%	6% to 10%
Rate of Return on Plan assets	7.25%	7.45%

* The estimates of future salary increases considered in actuarial valuation takes into account the inflation, seniority, promotions and other relevant factors.

The following table summarises the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points:

Impact on defined benefit obligation	December 31, 2018	
	Discount Rate	Salary Escalation Rate
Increase in 50 bps	-2.70%	2.82%
Decrease in 50 bps	2.84%	-2.71%

Impact on defined benefit obligation	December 31, 2017	
	Discount Rate	Salary Escalation Rate
Increase in 50 bps	-4.21%	4.49%
Decrease in 50 bps	4.52%	-4.22%

Projected plan cash flow

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date.

Maturity profile	Rupees Million
Year 1	121.52
Year 2	101.79
Year 3	97.37
Year 4	92.21
Year 5	83.81
Thereafter	665.60

The weighted average duration to the payment of these cash flows is 5.54 years.

HEXAWARE TECHNOLOGIES LIMITED**NOTES TO FINANCIAL STATEMENTS****27 Segments**

As per Ind AS 108 on "Operating Segments", segment reporting information has been provided under the notes to the consolidated financial statements.

28 Corporate Social Responsibility

- a) Gross Amount required to be spent by the Company during the year is Rs. 89.56 million (Previous year Rs. 82.97 million)
b) Amount spent during the year on :

Rupees Million				
Sr.No.	Particulars	Amount Paid	Amount yet to be paid	Total
1	Construction/ acquisition of any asset	-	-	-
		(-)	(-)	(-)
2	On purpose other than (1) above	90.46	-	90.46
		(70.02)	(0.15)	(70.17)

29 Contingent liabilities and commitments**29.1 Contingent liabilities**

Claims not acknowledged as debt Rs. 28.14 million (Rs 28.14 million as at December 31, 2017), being a claim from landlord of a premise occupied by the Company in an earlier year. The Company is confident of successfully contesting the aforesaid matter and does not expect any outflow on this count.

29.2 Claims for taxes on income

Where Company is in appeal

Income tax demands of Rs. 9.59 million (Rs 9.59 million as on December 31, 2017) have been raised in respect of assessments completed in earlier year, arising from certain disallowances by the Income tax authorities. The Company has appealed against the orders and based on merit, expects favourable outcome. Hence, no provision against such demand is considered necessary.

- 29.3 Estimated amount of contracts remaining to be executed on capital account and not provided for (Net of advances) Rs. 390.50 million (Rs. 56.90 million as at December 31, 2017)
