Hexaware recognized by ISG as a Rising Star in SAP Cloud Platform Services

Mumbai, 20 Aug 2018: Hexaware Technologies Ltd, the fastest-growing next-generation provider of IT, BPO and consulting services, today announced it has been recognized as a “Rising Star” in SAP Cloud Platform services by Information Services Group (ISG), a leading global technology research and advisory firm.

The recently published ISG Provider Lens™ SAP HANA® Services Quadrant Report for 2018, evaluating providers serving the U.S. market, noted that Hexaware is expanding its U.S. practice.

“Hexaware has extensive experience in executing large SAP transformation engagements (including multi-country implementations, roll-outs, upgrades, process consolidation, multi-year application support and maintenance,” the report said, also noting that Hexaware “has strong experience developing new technology solutions, including IoT, big data and machine learning for its customers.”

Examples of Hexaware’ innovation include the mobile Fiori solutions for plant maintenance and a chatbot applications using Leonardo for service maintenance, the company said.

Douglas Pollei, author and lead analyst at ISG, said "Hexaware is a good fit for enterprise customers seeking development specialization for Leonardo and SCP within the manufacturing and healthcare industries. Because of its size, Hexaware can react quickly to new technologies, development cycle and implementation requirements for its customers.”

Prasan Prabhakaran, Senior Vice President & Global Head – Enterprise Solutions, Hexaware Technologies Ltd said “We see the recognition as a testament to our focus on SAP digital core to enable our customers rapidly adapt and extract value from next gen SAP solutions. We orchestrate SAP digital core transformation and accelerated time to market for new innovations through our platforms and frameworks”

The ISG Provider Lens SAP HANA Quadrant Report evaluates 27 providers serving the U.S. market across five quadrants: S/4HANA, BW/4HANA, SAP Cloud Platform, SAP HANA Technology – Infrastructure, and SAP HANA Technology – Managed Services.

The ISG Provider Lens Quadrant report series draws insights on service provider capabilities from focused surveys, briefings, interviews with providers, input from ISG advisors, ISG benchmarking data, and data drawn from the ISG Contracts Knowledgebase™ and ISG Engagement Database™. The series is a complement to the ISG Provider Lens Archetype reports, which offer a first-of-its-kind evaluation of providers from the perspective of specific buyer types.
